| Birželio mėn. II savaitė | Project week/ Reading week | <p>You can choose one of these tasks:</p> <ol style="list-style-type: none"> 1. Explore the presentation „Unusual buildings“ what words we use to describe an aesthetic idea, use of a building, the materials that a building can be made of. Choose a partner to work in a group; decide the idea and the type of use and make your own model of an architectural project from the materials you can find at home. Make pictures of your work and prepare to present it to your class mates (in any programme or way you can use). In your presentation describe the idea, the use, the materials of your building and how you shared your teamwork, give the list of useful architectural terms, the list of sources (if you use external sources). 2. Read/ finish your homereading and prepare to present it to your class mates (in any programme or way you can use). In your presentation give information about the author, describe the plot, characters, favorite episode, the message of the author, the list of unknown words, the list of sources (if you use external sources). | Individual work |
| | Project week/ Reading week | Work on your architecture project or home reading task. | Individual work |
| | Project week/ Reading week | Present your architecture project or a reading week to the classmates. | Online conference via TEAMS. |
